DONATED CUP EXHIBITION AND SALE

When you arrive at the Festival please deposit your 'cup' or small piece of work with one of the Festival Assistants in the foyer area (this will be signposted for you).

With your work please present this form filled in with your name, address and the price you feel the cup should be sold for based on the price you usually set.

You are very welcome to place with your cup a card or leaflet about you or your pottery so that exhibition viewers will know who made the cup and where they may get more if they want them.
